# Blazing the Trail

Ten years ago we blazed a trail into the wilds of the North: we opened a store on Broadway at 49th Street.

The city has surged onward, business has increased, and now we find ourselves forced to double our capacity. We have taken the entire second floor of the building and have devoted it exclusively to clothing.

"The Most Cheerful Clothing Floor in the Country," we call it, with its flood of sunshine pouring in on three sides and through spacious skylights making pleasurable and easy selections from our impressive assortment of handsomely styled, high quality clothing for men and

This forward step means greatly enlarged facilities on the main floor for the departments selling furnishings, shoes, motor apparel, and hats for men, as well as suits, frocks, waists, sport clothes and millinery for women.

We have tried to achieve the final word in those refinements of equipment and service which make for customers' convenience.

Today, tomorrow and Saturday we hold the formal opening. To celebrate the event we are offering throughout the store at very substantial reductions from our regular closely figured prices Suits, Topcoats, Overcoats and Furnishings for Men and Boys, Shoes for Men. Women and Boys, Women's Apparel and Millinery.

We shall esteem it a privilege to welcome you to our opening and hope you will find time to devote a few minutes to an inspection of the new premises. Other merchants in this or related lines are cordially invited.
